Dear Parents and Athletes:

You are cordially invited to the Fall Athletic Open House on Thursday, September 6th, 7:00pm.

We are requiring attendance at this event for each athlete and his or her parent. In this way coaches, parents and students are guaranteed the opportunity to meet and discuss the expectations and responsibilities of North Salem athletes.

We will gather at 7:00pm in the auditorium for the opening program. Immediately following the program, you and your youngster will then meet with your athlete's coach. Parents of our swimmers will meet their coach at the fall athletic open house held at John Jay High School, time and date to be announced.

Please remember that to facilitate communication among coaches, athletes and parent's, attendance at this event is mandatory. If, however, attendance is not possible, please call the office of the Director of Athletics at 669-5414 ext. 2039. The coaches and I look forward to seeing you on Thursday, September 6th. Your support is always greatly appreciated.

Sincerely,

Henry Sassone
